

Master/mistress and slave contract

1. Introductory provisions

Master/mistress and slave have entered into a contract. The contract was concluded voluntarily. No coercion. This contract was designed by a slave. Slave swears swornly that he agrees to the contract. This treaty deals with the relationship between master and slave. It clearly defines the rights and obligations of both parties, hard limits. This agreement is concluded for 60 days. It is valid since the master-slave meeting. For 60 days, the slave has no option to terminate, terminate, limit the contract.

2. Master/mistress-slave relationship

The Master/mistress absolutely owns - controls - uses a slave. Only the master decides on the slave in all areas of life. There are no limits, except hard limits. Slave is less than an animal. The slave has no human rights. He has no right to stop, has no right to refuse, restrict, end, fail. The slave is obliged to serve the master, his family, to work for the master. The Master has the right to force the slave to anything but hard limits. And involuntarily, against the will of the slave. The Master has the absolute right over a slave in the area of sexuality. The slaves with the absolute right in the field of sexuality unreservedly agree. The Master has the right to sexuality in any practices, anything in SM, perversion. The Master has the absolute right to hire-sell a slave to anyone.

3. Accommodation, food

Slave arrives to master until Master meets slaves at the airport. From this moment on, the slave is the master's property. The Master has the absolute right to control the use of a slave. The Master will provide accommodation for the slave. It can be a cage, cellar, only the master decides how the slave will live. The Master will provide the slave with drinking water and at least once a day with food. Upon termination of the contract, the master will take the slave to the airport.

4. Initial slave training, degradation, dehumanization, objectification

The Master, from the first moment, trained, degraded, dehumanized, objectified the slave. The slave is here as an object without human rights. Slave has only medium experience / weekend events, weekly event with Master in Evertopa /. Master is ruthless. From the first moment the Master is hard, sadistic, perverse, bizarre. The slave must resign to humanity. The first three days of the master slave degrades in absolute terms. From the slave, he creates a dehumanized white object for the blacks. The slave must admit the absolute supremacy of the black master. Including group

absolute sexual degradation, the slave is abused in the first three days in the area of sex, SM, perversion, at least gang 10 sadistic,perverted, dirty people.

5. Service, sexual satisfaction master, punishment

The slave is obliged to work for the master at home, in the field, anywhere. Slave is obliged to satisfy the master sexually. In the field of sexuality, it is violent sex, perversion, extremely hard SM. The slave is subjected to extreme sexual degradation, torture, abuse, perversion, including the obligation to drink masters piss, swallowing shit. The Master has the right to slave for anything to punish, privately, publicly. Whip and so on. The slave, except for sleep, has no right to rest. If it's free time, the slave is degraded to the toilet. Bondage, urinal, urinal hose in mouth, anal. The urinal can use more people.

6. Sexuality, sex, SM, perversion

The Master absolutely decides about the sexuality of the slave. Slave has no right to influence anything. This is not about the sexual satisfaction of the slave. This is the degradation of the slave, the satisfaction of Master's sexual ideas. Whatever the perversion. It is an entire spectrum of sadism, perversion, sex, degradation, everything without limit except hard limits. Master has the absolute right to invite friends, anyone, men, women, couples, scams, any number of people and abuse slaves to sexual, sadistic, perverse satisfaction of anyone . Whoever has rights, as a master, besides hard limits. The Master may or may not be present. Slave has no chance of rejecting anyone for age, image, sexual orientation, hagiens, sexual practices, sadism, perversion. If the slave protests, he is punished by whipping and forced to do what is involuntary. The Master has the right to force the slave to the extreme. Including satisfaction of dirty poor people from straw, licking dirty vagina, penis, anal, sex with homeless, dirt, perversion. The Master has the right to let the slave in the barn with the animals, to make sex with the animals, to drink their cum. The Master has the right to organize the anonymous sexual abuse of the slave, the slave has a helmet, does not know who she has sex with. Sex without condom.

7.Sure money, prostitution, porn movies

The subordinate is obliged to make money for the master. The master has the absolute right to use it in any way. The only goal is to make the most money. The slave is obliged to make money for prostitution for the master.

Master finds clients - men, women, couples, groups. The Master sells-rents a slave to the client. For 2 hours to 1 day, the master is or is not present with the client. The Master looks for the maximum number of clients - he wants a lot of money. No matter the gender, sexual orientation, image of the client's age, the number of clients - the group. The slave has no right to reject anyone. Its it SM, pervers, sex prostitutio. Any practices without a limit except hard limits. With hard limits, the master is required to acquaint clients.
